* **A02 – Crawler Crane:** The release of the A66 Compact Crane category with endorsement A66d Compact Crane 360° Pick and Carry supersedes A02a Crawler Crane Up to 10 tonnes. A02a is therefore retired from the Scheme.

The category A02a will be renamed 'A02a now superseded by A66d', and A02b will be renamed 'A02b Crawler Crane over 10 tonnes' so that they impart appropriate information on cards and individual records, and A66d will be set as an automatic award on achievement of A02b.
